

Make the Most of Mobile Real Estate

Your Mobile Tech Partner

People spend about 5 hours a day on their mobile devices and make about 8000 estimated public texts and phone calls [per year](#). That's a lot of screen time. So, if you're looking for an effective way to create brand impressions, it's safe to say that mobile devices are the place to make your mark.

Phone Grips, like the [PopSockets](#) PopGrip, Ring Holders, and Mobile Wallets are not only a must-have item, they make use of valuable mobile real estate that would otherwise go underutilized. The backside of a mobile device offers 8000 [impressions](#) per PopSockets Grip per year and 1670 impressions per dollar spent. Plus, the accessory serves as a phone grip, tablet grip, media stand for videos, cord wrap, and when paired with the PopSockets Mount, a hands-free solution for safe driving. And who doesn't love a product that is stylish yet multi-functional?
